

## **SIMULATOR COURSE AND CONFERENCE PAPER EXPERIENCE**

Examples of our flight simulator course and related presentation experience includes:

- Creation and conduction of Naval Air Warfare Center Training Systems Division – U.S. Marine Corps (NAWCTSD-USMC) CH-53E helicopter flight simulator maintenance and instructor operator station courses
- Development and teaching of detailed FAA-based flight simulator certification/qualification testing at two U.S. Air Force (USAF) SIMCERT/SIMQUAL seminars
- Development and presentation regarding FAA-based flight simulator qualification to NASA Langley personnel
- Research, writing, and presentation of conference paper at American Institute of Aeronautics and Astronautics (AIAA) Flight Simulation Conference titled:
  - “An Informative Guide to Qualification of Flight Simulators for Commercial Aircraft”

Please contact us if you would like additional information or if we can create courses tailored for your needs.
